

## Declaration of conformity: Directive EG 2011/65/EU (RoHS)

Zehnder hereby declares and confirms that all components and products manufactured by us are fully compliant with the definitions and restrictions of Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

This declaration of conformity applies to all Air Distribution products, distributed by Zehnder.
