REACH Substances of Very High Concern (SVHC)

Under Article 33 of EU REACH Regulation (1907/2006), Fluke has a duty to communicate to our customers the presence of SVHCs in excess of 0.1% by weight of articles (as defined by Court of Justice of the European Union Case C-106/14) contained in our products.

Fluke has reviewed its products for the presence of REACH restricted substances on the EU SVHC Candidate List as of 05 November 2025. The REACH 251 status of the following Fluke Product(s) has been noted below. This determination is based on engineering evaluation, testing, and supplier declarations and is correct to the best of Fluke's knowledge.
