

Optix Surface 1200 Direct - Indirect High Output  
*OPTIX SURFACE 1200x200 2 LINE D/I HO 4000K ALU DALI EM*  
2023746

PRODUCT OVERVIEW

|                                 |                                                        |
|---------------------------------|--------------------------------------------------------|
| Product name                    | OPTIX SURFACE 1200x200 2 LINE D/I HO 4000K ALU DALI EM |
| Technology                      | LED (3 SDCM)                                           |
| Cap/Base                        | N/A                                                    |
| Housing                         | Steel                                                  |
| Mount                           | Suspended                                              |
| Fixture rating                  | Enclosed                                               |
| Warranty                        | 5 years                                                |
| Fixture luminous flux (lm)      | 5600                                                   |
| Luminaire efficacy (lm/W)       | 144                                                    |
| Colour temperature (K)          | 4000                                                   |
| Light colour                    | Neutral White                                          |
| CRI (Ra)                        | 80                                                     |
| Colour Variation Initial (SDCM) | SDCM3                                                  |
| Glare control                   | < 16                                                   |
| Photobiological Risk Group      | RG1                                                    |
| Luminous flux (emergency) (lm)  | 85                                                     |
| Total power consumption (W)     | 39                                                     |
| Electrical protection           | Class I                                                |
| Control gear type               | LED driver constant current                            |
| LED Flickering Rate             | Ultra low (5% or less)                                 |
| Housing colour                  | RAL 9016 - Traffic white / Bezel                       |
| IP rating                       | IP20                                                   |
| IK rating                       | IK07                                                   |
| Product EAN number              | 5025768237463                                          |
