Mounting accessories WINSTA® IDC

The mounting accessories from the WINSTA® IDC product line is the intelligent solution for reliable electrical installation. You can rely on the quality of WINSTA® components from WAGO for your electrical installation accessories too.

Lower costs through fast commissioning and elimination of service expenses – solutions from WINSTA® IDC

The WINSTA® Pluggable Connection System is perfectly tailored to the strict requirements of building installation. It makes electrical installation pluggable, and consequently more efficient, even more reliable, and error-free. Use of this pre-assembled system decreases assembly times and installation errors at the construction site. Now you can also cut installation costs without compromising quality and safety: The WINSTA® IDC accessory with protection against mismatching reduces the need for servicing and prevents unnecessary downtime.

- saves time, since no wiring is required at the construction site
- quick replacement of defective units during ongoing operation
