Type: ET-EXO-DARK-2000RC-W
Art. Nr.: 45015

9120105413558

Short description

ETHERMA EXO DARK dark infrared heater, radio, 2kW, white, IP65

Product Description

The new premium dark radiator ETHERMA EXO DARK RC is the ideal solution for wind-protected outdoor areas. It is also suitable as additional heating for conservatories or pavilions. The ultra-low-glare infrared tube impresses with its pleasant infrared heat and minimal residual light of only 1 lux per kilowatt per square meter. The RC version of the radiant heater can be easily dimmed in three stages (33/66/100% of maximum output) using the optional remote control. The device is made of high-quality, rust-free aluminum, impresses with its distinctive industrial design, and is protected against water jets thanks to protection class IP 65. The infrared heater comes with a 5-year warranty. The optional remote control is required for operation. Colors: white, black; suitable for wall and ceiling mounting, dimensions: 930x155x111 (250 including bracket) mm, protection class: IP 65, voltage: 230 V, plug cable 180 cm, system configuration: CE compliant This product is only suitable for outdoor use.

ETIM 10 Characteristics

Model	Ceiling-/wall emitter	Voltage	230 230 Volt
Mounting method	Surface mounting	Number of heating levels	3
Power step OFF	✓	Min. heating power	660 Watt
Mounting over cradle	✗	Max. heating power	2000 Watt
Degree of protection (IP)	IP65	Min. mounting height	1.8 Metre
Colour	White	Max. mounting height	2.5 Metre
Compatible with Apple HomeKit	✗	Height	155 Millimetre
Compatible with Google Assistant	✗	Width	930 Millimetre
Compatible with Amazon Alexa	✗	Depth	250 Millimetre
IFTTT support available	✗	RAL-number	9016
