

# Product data sheet Spirotech

## Product name

**SpiroVent Superior S400 -Breaktank -Insul**

## Product properties

A fully automatic vacuum degasser for closed heating, cooling and process systems with a pressure between 1 and 4 bar.

I: insulated

B: with break tank

R: with direct refill

- Applicable for systems with pressures between 1 & 4 bar
- Removes all gases, free air, microbubbles and dissolved gases
- Absorptive fluid ensures the removal of trapped gas bubbles
- Easy installation, reducing commissioning and handover
- Energy-efficient whilst still achieving the lowest possible gas concentration thanks to SmartSwitch
- Degassed (re)filling and sustained pressure
- Warns before (re)filling becomes excessive
- An extensive range for a wide variety of systems
- Can team up with all common expansion systems
- Remote access via LAN or Wi-Fi
- The B and R versions have an integrated automatic refill system
- Two-year guarantee

## Product dimensions

## Article number

**MV04B501**

## ETIM product data

Height	930 mm	Sound pressure level	55 dB(A)
With insulation	Yes	Ambient temperature	0 - 40 °C
Max. glycol mixture	40 %	Degree of protection (IP)	IP44
Article compression class	PN 10	Operating pressure	1 - 4 bar
Suitable for closed system	Yes	With backflow safeguard	Yes
Max. installation contents	100000 l	LAN connection	Yes
Width	346 mm	Max. electric power input	0.5 kW
Depth	334 mm	Wi-Fi	Yes
Connection voltage	207 - 253 V	With communication interface RS-485	Yes
Max. flow rate	500 l/h	Communication interface inverter MOD-Bus	Yes
Connection size inlet	3/4 inch	Bluetooth	No
Connection inlet	External thread cylindrical BSPP-G (ISO 228-1)	Supporting protocol for BACnet	No
Connection size outlet	3/4 inch	Potential free switch contact	Yes
Connection outlet	External thread cylindrical BSPP-G (ISO 228-1)	Touchscreen operation	Yes
Connection size refill/top-up	3/4 inch	Remote controllable function	Yes
Connection type refill/top-up	Internal thread cylindrical BSPP-G (ISO 228-1)	Nominal current	3.1 A
Frequency	50 Hz
