Short description

Infrared heater 1800W, Jet-Black

Product Description

The ETHERMA EXO COMFORT combines attractive value for money with pleasant infrared heat that is available quickly. Its gold-coated infrared halogen lamp works with an optimized reflector to concentrate the heat effectively forward. The compact aluminium housing has a modern appearance and is designed for long-term use. The tilting bracket makes it easy to direct the radiant heat where it is needed. A versatile solution for private and commercial outdoor areas, suitable for wall and ceiling mounting. This version is finished in black. This product is only suitable for outdoor use.
