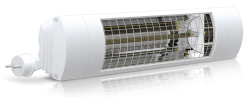
Short description
Infrared heater 1400W, on/off, timer, tilt protection, White



Product Description
The ETHERMA EXO COMFORT RC combines fast infrared heat with convenient control functions for private and commercial outdoor areas. The gold-coated infrared halogen lamp and optimized reflector direct the heat effectively forward. The electronic multifunction switch provides timer and short-heating functions, while an optional remote control offers additional convenience. An integrated safety shut-off adds protection when the heater changes position. Its compact design makes it particularly suitable for patio umbrellas and awnings. This version is finished in white. This product is only suitable for outdoor use.
