Short description

Infrared Dark Heater 2000W, Carbon Lamp, 3-setting dimmer, Black

**Product Description**

The ETHERMA EXO DARK RC is a premium dark infrared heater for wind-protected outdoor areas such as pavilions and covered seating areas. The Ultra-Low-Glare infrared lamp provides direct, even heat with very little visible residual light. In the RC version, the heat can be conveniently adjusted in three stages using the optional remote control. The high-quality aluminium housing combines durability with a distinctive industrial design. The remote control is required for initial commissioning. Suitable for wall and ceiling mounting. This version is finished in black. This product is only suitable for outdoor use.

ETIM 10 Characteristics

Model	Ceiling-/wall emitter	Voltage	230 230 Volt
Mounting method	Surface mounting	Number of heating levels	3
Power step OFF	✓	Min. heating power	660 Watt
