Short description

Infrared Dark Heater 2000W, Carbon Lamp, Black

Product Description

The ETHERMA EXO DARK is a premium dark infrared heater for wind-protected outdoor areas such as pavilions and covered seating areas. Its innovative Ultra-Low-Glare infrared lamp provides direct, even infrared heat with very little visible residual light, creating a comfortable atmosphere. The high-quality aluminium housing combines durability with a distinctive industrial design. The heater is ideal for targeted supplementary heat or comfortable heating of sheltered outdoor spaces and can be mounted on a wall or ceiling. This version is finished in black. This product is only suitable for outdoor use.

ETIM 10 Characteristics

Model	Ceiling-/wall emitter	Voltage	230 230 Volt
Mounting method	Surface mounting	Number of heating levels	1
Power step OFF	✗	Min. heating power	660 Watt
