

Air Valve Stainless Steel Clips

DVI-C

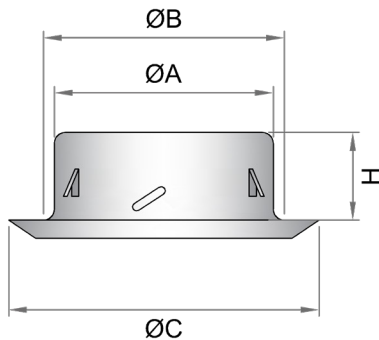

Specifications

- Item code: DVI-C
- Suitable for rooms with high humidity
- Made of brushed 304 stainless steel
- Stepless air volume control
- With spring mounting for good airflow and reduced noise
- Easy to remove for cleaning
- Including connection box
- Available sizes in mm: 100, 125, 160, 200

Description

To be used as a supply or exhaust valve for the supply or exhaust of ventilation air. The valve is equipped with clamping springs and adjustable to the desired air volume. The mounting bush makes this valve ideally suited for mounting in a spiro tube or flexible hose.
