

PRODUCT DATASHEET

Type: ET-EXO-COMFORT-1800RC-1-B
Art. Nr.: 45071

Short description

Infrared heater 1800W, on/off, timer, tilt protection, incl. remote, J

Product Description

The ETHERMA EXO COMFORT RC combines fast infrared heat with especially convenient control for private and commercial outdoor areas. The gold-coated infrared halogen lamp and optimized reflector direct the heat effectively forward. Timer and short-heating functions are available via the electronic multifunction switch, while the included remote control provides convenient operation from a distance. An integrated safety shut-off adds extra protection when the heater changes position. Its compact design is ideal for patio umbrellas and awnings. This version is finished in black. This product is only suitable for outdoor use.

ETIM 10 Characteristics

Model	Ceiling-/wall emitter	Voltage	230 230 Volt
Mounting method	Surface mounting	Number of heating levels	1
Power step OFF	✓	Min. heating power	1800 Watt
