Product Change Notification PCN_BUR_00170

Subject: Eaton's Bussmann series grey Red spot fuse holders material colour change

Dear Customer,

Eaton would like to inform you of a material colour change and label additions to Eaton's Bussmann series Grey 20 Amps Red Spot fuse holders:

Catalogue numbers	Description
RS20HGY	20 Amps Grey Red Spot fuse holder, front connected
RS20PGY	20 Amps Grey Red Spot fuse holder, back stud connected
RS20FGY	20 Amps Grey Red Spot fuse holder, back stud connected, flush mounted

These Red Spot fuse holders are now a darker shade of grey, see photos below

Previous light grey Red Spot fuse holder

New Dark grey Red Spot fuse holder

Please note that these changes are of an aesthetic nature only and have no impact on the product test certificates, application, function, quality and performance.

If you would like further information on this change, please contact the undersigned or your local sales representative.

Yours sincerely,

Oluwamayowa Aderibigbe
