

WBPL-X: Wall box mounting bracket galvenised steel

Commercial information

Henco Wall box mounting bracket galvenised steel

Basic unit dimensions

Height	2 mm
Length	240 mm
Width	95 mm
Net weight	0.225 kg

Certificates

Applications

Potable water, Heating, Sanitary

Solutions

Building installations, Industry, Laboratory, Utility

Technical characteristics

Model	Double flat	Number of wall plate locations	2
Material mounting profile	Steel	Width	95 Millimetre
Surface protection	Untreated	Height	1.5 Millimetre
		Depth	240 Millimetre
		Material thickness	1.5 Millimetre
