Dear customer,

with reference to the RoHS Directive No. 2011/65/EU, that our products indicated below neither contained nor used the following six substances intentionally:

1. Lead (Pb)
2. Cadmium (Cd)
3. Mercury (Hg)
4. Hexavalent chromium (Cr(VI))
5. Polybrominated biphenyls (PBB)
6. Polybrominated diphenyl ethers (PBDE)

Product Type:

Lithium Batteries TA521, TA541 for use with AC500

The RoHS directive No. 2011/65/EU does not apply to batteries, the Battery Directive 2006/66/EC shall apply to them.

With best regards,

ppa. Gernot Gaub
