
Product Information SVHC, REACH

The EU REACH regulation (EC) No. 1907/2006 restricts use of Substances of Very High Concern (SVHC) in a Candidate list updated twice a year. This declaration is valid for the Candidate list dated **14.6.2023** containing **235** substances.

Declaration

We hereby declare that products manufactured by ABB Oy, Wiring Accessories (ABB product code beginning 2TKA...)

not listed in the annex to this document contain **No Substance(s) Present Above Threshold of 0,1% w/w** and

products listed in the annex **contain SVHC** substances due to details marked separately for each product.

Inclusion of a substance on the candidate list does not automatically lead to a substitution and subsequently to a ban. Listing only indicates that these substances might become subject to authorization.

The information in this document is based on reasonable inquiry and current information received from the product manufacturing plants and the suppliers of the raw materials used in the above listed products. The certification is true, accurate and complete to the best of our knowledge with the information gathered to date.
