

M-TRANS03: Mains adapter for M-BA03

Commercial information

Mains adapter for M-BA03

Basic unit dimensions

Height	68 mm
Length	115 mm
Width	75 mm
Net weight	0.715 kg

Certificates

Applications

Potable water, Heating, Cooling, Compressed air, Sprinkler, Underfloor Heating, Gas, Sanitary

Solutions

Building installations, Industry, Underfloor heating, Fire protection, Oil & gas, Utility, Shipbuilding

Technical characteristics

Mains voltage

18 Volt
