

## PRODUCT DATASHEET

**Type:** eTOUCH-hybrid  
**Art. Nr.:** 40641

9120061396933

### Short description

Built-in thermostat with 2 relay outputs, 16A, 18-27°C, white

### Product Description

eTOUCH hybrid is the latest design built-in thermostat from ETHERMA, which is characterized by the energy-saving self-learning function, special user-friendliness and the elegant Infinity design. The controller has a high-quality LED glass touch display and can control 2 heaters simultaneously thanks to two relay outputs - each with either a timer function (up to 3 hours) or weekly programming. It also complies with ecodesign guidelines. Color: white, dimensions: 90x90 mm, temperature range: 18-27 °C, switching current: 16 A total, voltage: 230 V, power reserve: time setting 3 min, mounting: on flush-mounted switch box, protection rating: IP 21, test mark: CE compliant.

### ETIM 10 Characteristics

<b>Model</b>	On/Off	<b>Measuring range</b>	18 27 Degrees celsius
<b>Type of power supply</b>	230 V AC	<b>Number of heater outputs</b>	2
<b>Connection</b>	2-wire	<b>Number of cooler outputs</b>	0
<b>With receiver</b>	✗	<b>Differential value</b>	0.3 0.3 Kelvin
<b>External sensor</b>	✗	<b>Number of modules (module system)</b>	0
<b>Thermal feedback</b>	Series	<b>Max. contact voltage</b>	230 Volt
<b>Control characteristic</b>	P	<b>Max. contact load</b>	16 Ampere
<b>Suitable for heating</b>	✓	<b>RAL-number</b>	0
<b>Suitable for cooling</b>	✗	<b>Height</b>	90 Millimetre
<b>Adjustable differential</b>	✓	<b>Width</b>	90 Millimetre
<b>Temperature readable</b>	✓	<b>Depth</b>	10 Millimetre
<b>With sound indicator</b>	✗	<b>Diameter</b>	0 Millimetre
<b>Sensor/feeler type</b>	Resistance sensor	<b>Standby power consumption (solstandby)</b>	3 Watt
<b>Mounting method</b>	Flush-mounted		
<b>With display</b>	✓		
<b>Operation</b>	Button		
<b>Concealed operation</b>	✗		
<b>With tap water circuit</b>	✗		
<b>Contact type</b>	Breaker contact (NC)		
<b>Degree of protection (IP)</b>	IP21		
<b>Degree of protection (NEMA)</b>	Other		
<b>Explosion-proof</b>	✗		
<b>Colour</b>	White		
<b>Class of the temperature control</b>	II		
<b>Compatible with Apple HomeKit</b>	✗		
<b>Compatible with Google Assistant</b>	✗
