Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The PowerLogic™ HDPM6000 head unit pairs with the HDPM6000R retrofit module to provide waveform capture, data logging and Ethernet communication. The most versatile meter on the market, it can be integrated into any switchgear, distribution panel or cabinet with a high density of circuits. The HDPM6000R is installed with little down time and is available in 24, 42, 84, 108, 126, 168 and 192 circuit solutions
Product reference	METSEHDPM6R84WF
Additional similar product references	METSEHDPM6R84WF METSEHDPM6R24 METSEHDPM6R24WF METSEHDPM6R42 METSEHDPM6R42WF METSEHDPM6R84
Total representative product mass	1883 g
Representative product dimensions	104mm x 173mm x 173.48mm
Date of information release	10/17/2025

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.
Recyclability potential	54% The recyclability rate was calculated from the recycling rates of each material making up the product based on REEECY[®]LAB tool developed by Ecosystem, for components/materials not covered by the tool, data from the EIME database and the related PSR was taken. If no data was found a conservative assumption was used (0% recyclability).
