

Splashproof double vertical surface-mounting box with one double M20 input with cable glands for two functions, black

761-84252

CE

4 year warranty

This double vertical surface-mounting box with one double M20 input with cable glands is suitable for two functions. The entire unit is splashproof which makes it extremely well-suited for use in damp areas and in ammonia-rich environments.
Colour: black

Technical data

Splashproof double vertical surface-mounting box with one double M20 input with cable glands for two functions, black.

- Number of spaces for mechanisms: Double faceplate for two switches.
