## Datasheet Plaatkabelschoen DIN46234 4,0-6,0mm<sup>2</sup> M5

|                 |                                    |
|-----------------|------------------------------------|
| Artikelnummer   | ICQ65                              |
| Doorsnede Kabel | 4,0-6,0 mm <sup>2</sup>            |
| Gatmaat         | M5                                 |
| Materiaal       | CU-HCP 99,95% volgens DIN EN 13600 |
| Afwerking       | Galvanisch vertind                 |
|                 |                                    |

### Maten:

|         |             |
|---------|-------------|
| D1      | 3.6mm       |
| D3      | 10mm        |
| D2      | 5.3mm       |
| L       | 15mm        |
| A       | 6mm         |
| Gewicht | 0.16 kg/100 |
|         |             |
