

Splashproof double vertical surface-mounting box with two single flexible inputs for two functions, grey

700-83201

CE

4 year warranty

This double vertical surface-mounting box with two single flexible inputs is suitable for two functions. The entire unit is splashproof which makes it extremely well-suited for use in damp areas and in ammonia-rich environments. Colour: grey

Technical data

Splashproof double vertical surface-mounting box with two single flexible inputs for two functions, grey.

- Number of spaces for mechanisms: Double faceplate for two switches.
- Material surface-mounting box: the surface-mounting box is made of impact-resistant, dust-resistant, halogen-free and self-extinguishing polypropylene (PP) (UL94-V2/1.6 mm)
- Colour: grey
