# PRODUCT DATASHEET

**Type:** LAVABATH3-PURE-500-NA
**Art. Nr.:** 46368

9120129931748

**Short description**
Bathroom infrared heater, gray metal, 62x124.5cm, 500W, 230V

**Product Description**
The LAVA BATH 3.0 PURE infrared heater blends perfectly into the bathroom with its simple elegance and provides cozy infrared heat. The two temperature limiters in each panel guarantee safety in use at all times. The innovative technology turns the surface into a very good radiation emitter. In conjunction with the even heat distribution on the surface, the optimally insulated rear guarantees a high degree of radiation efficiency and therefore maximum infrared heat radiation to the front of the room - once switched on, the panel is heated to approx. 80 °C and provides pleasant warmth within a very short time. And thanks to the included, color-coordinated towel holder, it also provides cozy, warm towels. The frameless construction ensures a modern design. There is a choice of three outputs and up to two additional towel rails can be attached to the appliance. Incl. one mounted, powder-coated towel rail, color: traffic white RAL 9016 or nano anthracite RAL 7016, vertical wall mounting, protection class: IP X4, steel housing, fixed connection via 1m connection cable (3 x 1.00 mm2), CE compliant. This product is a towel rail with a nominal heat output of more than 250W; in order to meet the mandatory ecodesign requirements of Commission Regulation (EU) 2024/1103, it must be supplemented by a controller that fulfills at least the following control functions: electronic room temperature controller with weekday control (TW)

**ETIM 10 Characteristics**

| | | | |
|---|---|---|---|
| **Type of IR radiation** | IR-C | **Power consumption** | 500 Watt |
| **Mounting method** | Surface mounting | **Supply voltage** | 230\|230 Volt |
| **Mounting direction** | Vertical | **Frequency supply voltage** | 50\|50 Hertz |
| **Suitable for ceiling mounting** | ✖ | **Max. surface temperature** | 80 Degrees celsius |
| **Degree of protection (IP)** | IPX4 | **Radiation efficiency according to IEC 60675-3** | 0 Percentage |
| **Colour** | Grey | **Height** | 1245 Millimetre |
| **With imprint** | ✖ | **Width** | 620 Millimetre |
| **With room temperature controller** | ✖ | **Depth** | 48 Millimetre |
| **With mounting material** | ✔ | **RAL-number** | 7016 |
| **With frame** | ✖ | **Colour temperature** | 0\|0 Kelvin |
| **Material frame** | Other | | |
| **Frame colour** | Other | | |
| **Surface treatment** | Other | | |
| **Surface structure front panel** | Smooth | | |
| **With lighting cove** | ✖ | | |
| **Dimmable** | ✖ | | |
| **Light outlet** | Direct | | |
