EFFICIENT. ELECTRIC. HEATING.

PRODUCT DATASHEET

Type: LAVABATH3-PURE-SMART-350-W
Art. Nr.: 46358

9120129931649

Short description
SMART infrared bathroom heater, white metal, 62x90cm, 350W, 230V

Product Description
The LAVA BATH 3.0 PURE SMART infrared heater with integrated SMARTBOX (control unit) and enclosed SMARTCUBE (wireless thermostat) for convenient control via the ETHERMA SMART app blends perfectly into the bathroom with its simple elegance and provides cozy infrared heat. The two temperature limiters in each panel ensure safety in use at all times. The innovative technology turns the surface into a very good radiation emitter. In conjunction with the even heat distribution on the surface, the optimally insulated rear guarantees a high degree of radiation efficiency and therefore maximum infrared heat radiation to the front of the room - once switched on, the panel is heated to approx. 80 °C and provides pleasant warmth within a very short time. And thanks to the included, color-coordinated towel holder, it also provides cozy, warm towels. The frameless construction ensures a modern design. There is a choice of three outputs and up to two additional towel rails can be attached to the appliance. Incl. one mounted, powder-coated towel rail, color: traffic white RAL 9016 or nano anthracite RAL 7016, vertical wall mounting, protection class: IP X4, steel housing, 1m plug cable included, CE compliant.

ETIM 10 Characteristics

Type of IR radiation	IR-C	**Power consumption**	350 Watt
Mounting method	Surface mounting	**Supply voltage**	230|230 Volt
Mounting direction	Vertical	**Frequency supply voltage**	50|50 Hertz
Suitable for ceiling mounting	✖	**Max. surface temperature**	80 Degrees celsius
Degree of protection (IP)	IPX4	**Height**	900 Millimetre
Colour	White	**Width**	620 Millimetre
With imprint	✖	**Depth**	48 Millimetre
With room temperature controller	✔	**RAL-number**	9016
With mounting material	✔		
With frame	✖		
Material frame	Other		
Frame colour	Other		
Surface treatment	Other		
Surface structure front panel	Smooth		
With lighting cove	✖		
Dimmable	✖		
Light outlet	Direct
