

Declaration Regarding the REACH-Regulation

With reference to the Regulation (EC) No 1907/2006 issued by the European Parliament and of the Council concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered in force on 1st June 2007, please be informed that:

- ABB continuously assesses its products for content of Substances of Very High Concern (herein-after SVHC), included in the "Candidate List" by the European Chemicals Agency (ECHA) as per Annex XIV of the REACH Regulation.
- under normal and reasonably foreseeable usage conditions, products manufactured by ABB do not intentionally release any substance or preparation.
- a substance on its own, in a preparation or in an article, for which Annex XVII contains a restriction is not manufactured, placed on the market, or used inside ABB products unless it complies with the conditions of that restriction.

According to the current SVHC test result, ABB states that series **DSE201 NS, DSN201E, DSE201 M NS, DSN201E M (RCBO)** do not contain any of the Substances of Very High Concern (SVHC) exceeding 0.1% w/w and comply with the materials and the restrictions in Regulation (EC) No 1907/2006.

The list of Substances of Very High Concern (SVHC) is available as of **27 June 2024** (published on the ECHA website according to Article 59(10) of REACH). (See also: ECHA/NR/24/19)
