

KLUDI L STEEL
kitchen faucet
DN 15

Finishes:

Product description

Manufacturer KLUDI GmbH & Co. KG

Typ: KLUDI L STEEL

kitchen faucet

Ref.: 45851F877

kitchen faucet

single lever mixer

extractable spout

1-hole mounted

solid lever, metal

lateral actuation

aerator M18 laminar

protected against back fl

ceramic cartridge

flow rate at 3 bar 8 l/ min.

swivel spout 180°

flexible hoses G3/8 DVGW approved

shank-fixing

extractable hoses M15 x 1500

A modern, minimalist kitchen faucet with a curved spout and a cylindrical handle, set against a white background. The faucet is made of polished metal, likely stainless steel or chrome, and features a sleek, contemporary design. The spout is curved upwards and then downwards, ending in a simple, rounded tip. The handle is a vertical cylinder with a horizontal grip, and the base is a simple, cylindrical pedestal. The overall aesthetic is clean and modern.

The graph shows the relationship between flow rate I (l/min) and pressure p (bar). The curve starts at the origin (0,0) and increases monotonically, passing through approximately (1, 4.5), (2, 6.5), (3, 8), and (4, 9.5).
