Product benefits / Features

The illustration features three different models of cooling units: a tall rack-mounted unit, a medium-sized rack-mounted unit, and a smaller floor-standing unit. The background is green, and the units are shown in a light grey color. Surrounding the units are six circular icons, each with a white background and a green border, containing a green icon. Each icon is accompanied by a short text description of a product benefit or feature.

- Connected with alarming and setting data**: Represented by an icon of a speaker with sound waves.
- Easy selection with 40 references IEC & UL**: Represented by an icon of a 2x2 grid with checkmarks.
- 3 redundant modes for critical application**: Represented by an icon of a server rack with three arrows pointing to different units.
- Recycled packaging, good energy efficiency ratio**: Represented by an icon of a recycling symbol.
- 30% Smaller and lighter Cooling Units**: Represented by an icon of a square with a smaller square inside and a diagonal arrow.
- Easy mounting with 3 positions, easy spare parts replacement**: Represented by an icon of a clock with a checkmark.
