LED STRING LITE® 120 - 20 019-364

Description:

Product description The 230 V String Lite® is available in lengths of 12m and 20m. The light string features points of light fixed directly to the light cable. A string is generally made up of multiple segments. By means of the patented Quick-Fix® system, up to 16 light strings may be connected together without any problems. Each light string shines with 120 patented LED points of light. Each segment can be individually replaced.

Decoration possibilities:

Decoration solutions</u>
Depending on the decoration object, String Lites® give an atmospheric and fun impression, at the same time. This light string can easily be wrapped around columns and is perfectly suited for the decoration of large areas, as hanging decoration, e.g. across corridors and halls, for the creation of motifs, and as outline decoration. The LEDs, as well as the light cable, are available in various colors
