

Giotto LED 305  
GIOTTO 305 4000K RECESSED EMERGENCY  
3034782

Product features

- Ambient and decorative round, recessed mounted LED bulkhead luminaire. White robust polycarbonate body with opal diffuser, 1750lm, 18W, 98lm/W, 4000K, CRI 80, non-dimmable, integral 3 hour maintained emergency, 120,000 hours lumen maintenance (L70:B50). Drive current: 600mA, IP44, IK10, Class I, 220-240V.

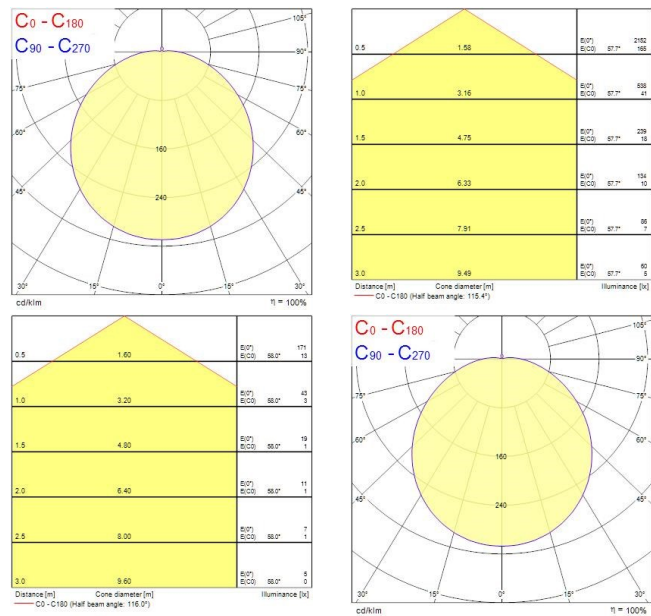

PRODUCT OVERVIEW

|                                   |                                     |
|-----------------------------------|-------------------------------------|
| Product name                      | GIOTTO 305 4000K RECESSED EMERGENCY |
| Technology                        | LED                                 |
| Cap/Base                          | N/A                                 |
| Housing                           | PC Polycarbonate                    |
| Mount                             | Ceiling recessed mounting           |
| Environment                       | Indoor                              |
| General application               | Hospitality, Logistics & Industry   |
| ETIM Class                        | EC002892                            |
| Warranty                          | 5 years                             |
| Useful luminous flux (Fuse)       | 1750                                |
| Fixture luminous flux (lm)        | 1750                                |
| Luminous flux (lm)                | 1750                                |
| Luminaire efficacy (lm/W)         | 98                                  |
| Correlated colour temperature (k) | 4000                                |
| Colour Code                       | 840                                 |
| Light colour                      | Neutral White                       |
| CRI (Ra)                          | 80                                  |
| Colour Variation Initial (SDCM)   | SDCM3                               |
| Beam Angle (°)                    | 120                                 |
| Glare control                     | < 24                                |
| Photobiological Risk Group        | RG0                                 |
| Luminous flux (emergency) (lm)    | 138                                 |
| Luminous flux (emergency) (lm)    | 138                                 |
| Total power consumption (W)       | 18                                  |
| Electrical protection             | Class I                             |
| Control gear type                 | LED driver constant current         |
| Control gear mounting             | Integrated                          |
| Dimmable                          | No                                  |
| Dimming method                    | N/A                                 |
| LED Flickering Rate               | Ultra low (5% or less)              |
| Housing colour                    | White                               |
| IP rating                         | IP44                                |
| IK rating                         | IK10                                |
