

# Product data sheet Spirotech

## Product name

**EMCK Maxi 500L max 4bar Twin**

## Product properties

The MultiControl Kompakt MAXI Twin is an automatic expansion and pressure-maintaining device. The unit contains 2 pumps (2x 100%) and 2 overflow valves. An unpressurised expansion tank is integrated.

- 2 pumps (2x 100%)
- 2 overflow valves (2x 100%)
- Operational pressure range up to 8.1 bar
- Comes with 6 possible vessel volumes from: 45 to 500 liters
- Two further unpressurized expansion vessels can be added
- Maximum expansion volume: 45 – 1,500 liters
- The maximum temperature at the point of connection: 70°C (over 70°C possible with auxiliary tank)
- Maximum safety temperature in the system: 110°C
- Maximum operating pressure (PN): 10 bar

## Article number

**EMCK-M500-4.0-twin**

## ETIM product data

|                                |           |
|--------------------------------|-----------|
| Height                         | 2130 mm   |
| Volume                         | 500 l     |
| Max. operating pressure        | 4 bar     |
| Connection                     | Other     |
| Power consumption              | 1.1 kW    |
| Couplable                      | Yes       |
| Electrical connection          | Terminals |
| Function master/slave          | No        |
| With pressure expansion vessel | Yes       |
| Digital control unit           | Yes       |

|                                       |             |
|---------------------------------------|-------------|
| Double pump                           | Yes         |
| With exchangeable membrane            | Yes         |
| Compressor in base                    | No          |
| Nominal diameter expansion connection | 1 inch (25) |
| Max. medium temperature (continuous)  | 70 °C       |
| For heating systems up to             | 1 MW        |
| Horizontal positioning                | No          |
| Connection voltage                    | 230 V       |
| Article compression class             | PN 10       |
| Operating principle                   | Pump        |
