

UFH-C190163: Thermostat head with short sensor

Commercial information

Basic unit dimensions

Datio unit unifoliolo		
Height	76 mm	
Length	51 mm	
Width	51 mm	
Net weight	0.122 kg	

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Underfloor heating, Building installations, Industry, Utility

Technical characteristics

Connection to valve	M30 x 1.5
With anti-theft security	×
Suitable for heating	✓
Suitable for cooling	✓
Blocking/limiting adjustment range	✓
With zero (off) position	×
Frost protected	×
Operation by Bluetooth	×
Operation by app	×
With web interface	×
Programme clock	×
Colour	White
Adjustment aid for visually impaired people	×
