

UFH-PGKTA: Pump unit with consistent temperature control

Commercial information

Basic unit dimensions

Height	270 mm
Length	80 mm
Width	180 mm
Net weight	6.000 kg

Certificates

Applications

Underfloor Heating

Solutions

Underfloor heating

Technical characteristics

Room temperature control	✓	Max. operation pressure	6 Bar
Water temperature control	✓	Max. operating pressure	6 Bar
With de-aeration	✗	Operating temperature	0 80 Degrees celsius
Material covering plate	Plastic		
Covering plate colour	Other		
Control element colour	Other
