

UFH-THERM24V-W: Wired room thermostat, 24V

Basic unit dimensions

Height	80 mm
Length	29 mm
Width	84 mm
Net weight	0.100 kg

Certificates

Commercial information

Underfloor Heating, Heating, Cooling

Solutions

Building installations, Industry, Underfloor heating, Utility

Technical characteristics

Type of power supply	24 V AC	Measuring range minimum value	5 Degrees celsius
Control characteristic	P	Number of heater outputs	1
Suitable for heating	✓	Max. contact voltage	24 Volt
Suitable for heating	✓	Height	80 Millimetre
Suitable for cooling	✓	Width	84 Millimetre
Cooling	✗	Depth	29 Millimetre
Temperature readable	✗		
With sound indicator	✗		
With display	✗		
With tap water circuit	✗
