

UFH-CMDK03: Flow meter for MDK manifold 0 - 3L

Commercial information

Henco flow meter for MDK manifold 0 - 5L

Basic unit dimensions

Height	30 mm
Length	95 mm
Width	30 mm
Net weight	0.024 kg

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Building installations, Industry, Underfloor heating, Utility

Technical characteristics

Housing material	Other	Volume flow	0 5 Litre per minute
Suitable for oil	✘	Medium temperature (continuous)	5 55 Degrees celsius
