Comply with the European standard
EN 14428:2015+A1:2018 (Shower enclosures - Functional requirements and test cases)
 Evaluation and check of the performance regularity System “4 “
 Performance tests according to standard EN 14428:2015+A1:2018
 Reference paragraph:

Essential characteristics	Performance	Harmonized technical specification
Cleaning	Pass	EN 14428:2015+A1:2018
Impact resistance – Fragmentation properties	Pass	
Durability	Pass	

Regulation 1907/2006 application

As regards our products it appears that they all come under the definition of article present in the Regulation (CE) N. 1907/2006 of the European Parliament and Council of 18th December 2006. In particular, within the meaning of art. 7 “Registration and Notification of substances contained in articles”, comma 1 letter b), such articles are not subject to registration as any substances contained in them are not destined for release in normal or reasonably foreseeable conditions for use.

Moreover, it is pointed out that, still within the meaning of Regulation (EC) N. 1907/2006, the above mentioned articles, based on their characteristics, do not come under the obligations foreseen by art. 33 “Duty to communicate information on substances present in articles” as the percentage in weight of the substances held to be dangerous, within the meaning of the present regulation, is lower than 0,1% of the total weight of the article.

Note : with reference to this document we clarify that “domestic use” includes the use inside hotels, hall of residence, hospitals and similar buildings, except where specific medical regulations are required.

We issue this performance declaration under sole responsibility of the manufacturer.
