

Technical drawing of a rectangular plate with dimensions and a central hole. The overall dimensions are 2000 mm in height and 1000 mm in width. The plate has a central hole with a diameter of 120 mm. The hole is located 120 mm from the top and bottom edges and 120 mm from the left and right edges. The plate has a thickness of 35 mm. The distance between the two vertical lines defining the hole is 74 mm. The distance between the two horizontal lines defining the hole is 74 mm. The distance between the two vertical lines defining the hole is labeled B. The distance between the two horizontal lines defining the hole is labeled A. The plate is shown in a perspective view with a lightning bolt symbol indicating a cut or break.
