Technical data sheet

Deskbox DB, with fastening clamp, 3 BS sockets

Item number: 6116901

The DB Deskbox ensures a direct supply of the workplace with power, data and multimedia technology and is suitable for fixed attachment to a tabletop. The Deskbox is equipped with a connection cable, which runs out of the profile from below. The housing consists of an anodised, silver-coloured aluminium profile. The Deskboxes can be mounted simply on a tabletop with 2 fastening vices, without damaging the tabletop. Mounting is possible on a tabletop with a thickness of 8 to 40 mm.
The Deskbox is equipped with three black British Standard sockets, which are equipped with a 3 m power cable with wire end sleeves at the end of the cable. The ready-for-connection type DBK Deskbox is particularly suitable for the direct supply of workstations with energy, communication and data technology connections.
