

**Hamerkopbout M8x70 mm, Cu=10 mm (4 stuks)**

#### Technische eigenschappen

#### Samenstelling

|                    |          |
|--------------------|----------|
| Draadmaat metrisch | 8 - 8    |
| Type draad         | Metrisch |

#### Compatibiliteit

|                           |                    |
|---------------------------|--------------------|
| Univers N-compatibiliteit | Assemblage-eenheid |
|---------------------------|--------------------|
