

Walraven Pacifyre® IWM III Fire Strip

(U0420)

The flexible fire strip for plastic and multi-layer pipes

Features & benefits

- Allows for an installation with zero distance between pipes
- Easy to install without any additional fixing material due to self-adhesive strip
- Only one roll for numerous penetrations
- A small number of layers is required, so a smaller drill hole is possible
- Suitable for 40 mm shaft walls
- Suitable for damp conditions
- Easy on-site modification
- Also suitable for areas which are difficult to access, for example, corner penetrations
- With a fire resistance up to EI 120 U/U
- Tested according to EN 1366-3
