CONCA | Wanduitloop 65x65 mm, 180 mm sprong uitloop in magnetic grey afwerking, 20 l/min (3 bar) | PVD technologie

### Afbeelding & technische tekening

### Algemene informatie

|                              |                            |
|------------------------------|----------------------------|
| Productcategorie:            | Uitlopen                   |
| Producttype:                 | Wanduitloop                |
| Merk:                        | Ideal Standard             |
| Collectie:                   | CONCA                      |
| Ontwerper:                   | Palomba Serafini Associati |
| Colour:                      | A5 - Magnetic Grey         |
| Afwerking van het oppervlak: | satijn                     |
| Hoogte (mm):                 | 65                         |
| Breedte (mm):                | 65                         |
| Bevestigingswijze:           | Koppelingsmoer             |
| Nettogewicht (kg):           | 0.75                       |
| EAN-code:                    | 3800861085850              |

### Product specificaties

|                                                              |               |
|--------------------------------------------------------------|---------------|
| Aantal rozetten:                                             | 1             |
| Kleurcode:                                                   | A5            |
| Kleuromschrijving:                                           | magnetic grey |
| Materiaal:                                                   | Metaal        |
| Materiaal basisdeel:                                         | Messing       |
| Maximale volumestroom bij 3 bar (l/min):                     | 20            |
| Maximale volumestroom bij 3 bar (l/min) voor alle uitgangen: | 20            |
| Max. debiet bij 3 bar (l) voor uitloop:                      | 20            |
| Maximale werkdruk (bar):                                     | 5             |
| Minimale werkdruk (bar):                                     | 0.5           |
| PVD technologie:                                             | Ja            |
| Vorm van de rozet(ten):                                      | Vierkant      |
| Uitloop type:                                                | Gegoten       |
| Oppervlakte dekking:                                         | PVD           |
| Afwerking van het oppervlak:                                 | satijn        |
| Type straalregelaar:                                         | Beluchter     |
