

UFH-THERM-B: Wired room thermostat for ufh-zonehc-b

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Building installations, Industry, Underfloor heating, Utility

Commercial information

Technical characteristics

Control characteristic	P	Number of heater outputs	1
Suitable for heating	Yes	Height	80 Millimetre
Suitable for cooling	Yes	Width	84 Millimetre
Cooling	Yes	Depth	29 Millimetre
Temperature readable	No		
With sound indicator	No		
With display	No		
With tap water circuit	No
