

UFH-THERM24V-WD: Wired digital room thermostat, 24V

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Building installations, Industry, Underfloor heating, Utility

Commercial information

Technical characteristics

Type of power supply	24 V AC	Number of heater outputs	1
Control characteristic	P	Max. contact voltage	24 Volt
Suitable for heating	Yes	Height	78 Millimetre
Suitable for cooling	Yes	Width	78 Millimetre
Cooling	Yes	Depth	25 Millimetre
Temperature readable	Yes		
With sound indicator	No		
With display	Yes		
With tap water circuit	No
