

UFH-THERMHC-R: Wireless room thermostat, master, heat. & cool., for ufh-zonehc-r

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Building installations, Industry, Underfloor heating, Utility

Commercial information

Technical characteristics

Type of power supply	Battery	Number of heater outputs	1
Control characteristic	P	Number of cooler outputs	1
Suitable for heating	Yes	Height	30 Millimetre
Suitable for cooling	Yes	Width	80 Millimetre
Cooling	Yes	Depth	85 Millimetre
Temperature readable	No		
With sound indicator	No		
With display	No		
With tap water circuit	No
