

IVY 2 LED UGR<21  
IVY 2 LED 600x600 43W 4000K EB UGR21  
0052833

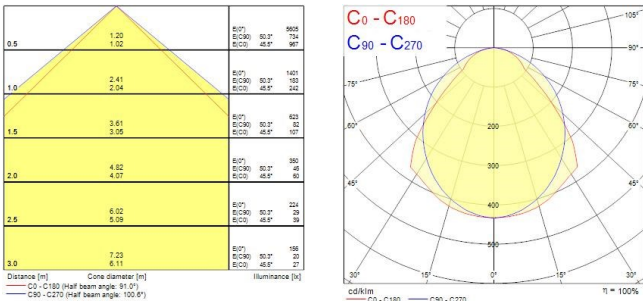

PRODUCT OVERVIEW

|                             |                                      |
|-----------------------------|--------------------------------------|
| Product name                | IVY 2 LED 600x600 43W 4000K EB UGR21 |
| Technology                  | LED                                  |
| Housing                     | Other                                |
| Mount                       | Ceiling recessed mounting            |
| Fixture rating              | Enclosed                             |
| Environment                 | Internal                             |
| E-number FI                 | 4273973                              |
| Warranty                    | 5 years                              |
| Fixture luminous flux (lm)  | 3240                                 |
| Luminaire efficacy (lm/W)   | 75.34                                |
| LOR (%)                     | 100                                  |
| Colour temperature (K)      | 4000                                 |
| Light colour                | Neutral White                        |
| CRI (Ra)                    | 80                                   |
| Colour Consistency (SDCM)   | 3                                    |
| Glare control               | < 21                                 |
| Total power consumption (W) | 43                                   |
| Electrical protection       | Class I                              |
| Control gear type           | Electronic ballast                   |
| Housing colour              | White                                |
| IP rating                   | IP20                                 |
| IK rating                   | IK02                                 |
| Product EAN number          | 5410288528335                        |
