

HFMAN125: EPDM sleeve for Hencoflex 2X32 Ø125 MM

Commercial information

Henco's vast product range always offers a solution.

EPDM sleeve for Hencoflex pipes:

- Material: EPDM
- Colour: Black

Basic unit dimensions

Height	100 mm
Length	135 mm
Width	135 mm
Net weight	0.108 kg

Certificates

Applications

Potable water, Heating, Cooling, Steam, Compressed air, Solar energy, Demi Water, Vacuum, Underfloor Heating, Sanitary

Solutions

Building installations, Utility, Shipbuilding, Laboratory, Industry, Energy/district heating, Underfloor heating

Technical characteristics

Material	Rubber	Outer diameter mantle pipe	125 Millimetre
Watertight	✓	Inner diameter pipe sleeve	125 Millimetre
		Outer diameter inner pipes	32 32 Millimetre
