

UFH-C190163: Thermostat head with short sensor

Commercial information

Basic unit dimensions

Height	76 mm
Length	51 mm
Width	51 mm
Net weight	0.122 kg

Certificates

Applications

Underfloor Heating, Heating, Cooling

Solutions

Underfloor heating, Building installations, Industry, Utility

Technical characteristics

Connection to valve	M30 x 1.5
With anti-theft security	✘
Suitable for heating	✓
Suitable for cooling	✓
Blocking/limiting adjustment range	✓
With zero (off) position	✘
Frost protected	✘
Operation by Bluetooth	✘
Operation by app	✘
With web interface	✘
Programme clock	✘
Colour	White
Adjustment aid for visually impaired people	✘
