

UFH-MDK-AO: Automatic air vent in composite for MDK manifold

Commercial information

Basic unit dimensions

Height	35 mm
Length	80 mm
Width	35 mm
Net weight	0.026 kg

Certificates

Applications

Heating, Cooling, Underfloor Heating

Solutions

Underfloor heating, Building installations, Industry, Utility

Technical characteristics

Housing material	Other	Max. operation pressure	8 Bar
Surface protection	Untreated		
Size of threaded connection	3/8 inch (10)		
Connection 1	External thread cylindrical BSPP-G (ISO 228-1)		
With operating key	✘		
Rotating spout	✔
