

ABB EcoSolutions™ – UK600

UK600 – flush and hollow wall mounted consumer unit

The UK600 series offers new possibilities in terms of application areas, flexibility and design. Its product portfolio includes 3 kinds of enclosures – Standard for DIN-Rails, Media for WLAN routers etc. and the combi enclosure, a combination of both. It is mainly designed for residential commercial applications. Thanks to its customization options you can turn it into an attractive design feature in your home.
