

## UK DECLARATION OF CONFORMITY

(Original Language)

**We: Manufacturer**

Schneider Electric Automation GmbH  
(Subsidiary of Schneider Electric Industries SAS  
FR-93500 Reuil Malmaison)  
Schneiderplatz 1  
97828 Marktheidenfeld - Germany

**Authorized Representative:**

Schneider Electric Limited  
Stafford Park 5  
Telford, TF3 3 BL – United Kingdom

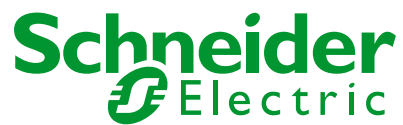

hereby declare that this declaration of conformity is issued under our sole responsibility and that the product(s):

|                                |                                                                                                              |
|--------------------------------|--------------------------------------------------------------------------------------------------------------|
| <b>Trademark</b>               | Schneider Electric        |
| <b>Product, Type, Function</b> | Modicon Switching Mode Power Supply – Modular range                                                          |
| <b>Models</b>                  | ABLM1A24004, ABLM1A12010, ABLM1A24006,<br>ABLM1A05036, ABLM1A12021, ABLM1A24012,<br>ABLM1A12042, ABLM1A24025 |

is/are in conformity with the requirements of the following regulation and conformity was checked in accordance with the following standards.

| <b>Regulation</b>                                                        | <b>Designated Standard</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
