

Finishing set for fourfold potential-free 24 V push button with LED and text field, cream

157-40350

CE

4 year
warranty

Finishing set for a push button with four potential-free 24 V control buttons used to control various lighting points in one or more rooms. Each control button is equipped with an LED lamp and a label. By using the LED lamp, you know directly whether the light source is activated or not. You can easily add an icon to the label surface to designate your light points. Colour: cream.
